CAROLINE BURCKLE FOR NATURA CULINA
pure, certified organic coconut oil infused with rosemary oil

VEGAN • CRUELTY-FREE • NO SULFATES
NO PARABENS • NO GMO'S

DRENCH IT

quench your skin's thirst by slathering this all over. coconut oil is high in vitamin E and acts as a natural sunscreen.

SOOTHE 'EM

you're on the go-go-go, and your workouts will leave you with that feel-so-good soreness. rosemary oil is the ultimate muscle pain reducer, and lowers cortisol - your stress hormone. oh yeah, and add it to your epsom salt bath!

TREAT IT

your hair is your trademark. rosemary oil is a natural hair thickener and scalp nourisher. feel free to coat this in your locks, wet or dry, and let it sit overnight. wash it out in the morning.

OWN IT

your confidence, of course. it is safe to use it all over your face, body, and hair. and you will glow, inside and out.
